Hello! I am 28 years old and based in Porto Alegre, Brazil. I'm always open for new opportunities to improve my design skills and I am very passionate about working with digital products.

WORK EXPERIENCE

Product Designer // EBANX

AUG 2021 - PRESENT

Improve payin and payout experience for merchants and end-users, study and implement new payment methods for Latin America, Africa and recently, India. Conduct discoveries about user profiles, payment methods and market verticals using UX research methodologies. I also help merchants to identify usability gaps in their platforms willing to increase conversion rates and performance issues.

Designer // Box Brazil

AUG 2020 - AUG 2021

High and low fidelity prototypes, ideation and maintenance of video-on-demand platforms, online radios, landing pages and websites, e-mail marketing design. Creation of user flows and other design methods to deliver a good navigation experience in VOD platforms.

Graphic Designer // ConectivaMente

AGO 2020 - AGO 2021

Artwork for social media and marketing materials for clients in the healthcare field. Concept and creation of landing pages and websites, PDF materials diagramming and advertising materials for events, email marketing and business digital cards, concept and development of visual identity for healthcare professionals and clinics.

Graphic Designer (Freelancer)

JUL 2015 - JAN 2021

Artwork for social media and marketing campaigns, concept and development of visual identity and brands for clients in different segments.
